

Warren County Water District was recently presented with a ceremonial check in recognition for a \$1,736,134 grant awarded through the 2006 Legislature to help fund three significant system improvement projects. The funds are for construction of the Lovers Lane Sewer Extension, Cooper Dearing Fire Protection Upgrades, and Parkway Sewer Interceptor-Phase 2. The check was presented by Gov. Ernie Fletcher on Wednesday, April 17, 2007, at the L&N Depot in Bowling Green.
