**WASTEWATER VOLUME ADJUSTMENT**

SUBJECT: Wastewater Volume Adjustment

1. A wastewater adjustment of the volume billed for residential and commercial buildings may be made upon the customer's request whenever a leak occurs provided the following conditions are met:
  - A. The customer requests the adjustment within two months from the time the customer is billed for the water usage.
  - B. The adjustment will be made considering an average of the three months previous billing. In cases where there is not three months previous billing to average the bill, it may be adjusted utilizing an average of future consumption.
  - C. One month's bill is all that will be eligible to be adjusted per year.
  - D. The customer pays the service investigation charge wherein verification is made that a leak has been repaired and the water did not go into the sewer system.
  
2. When a yard is to be sprinkled with water on a regular basis, the customer shall make application for a separate water meter to be utilized for this purpose. This meter will not have any plumbing connected to the wastewater system and will not be billed wastewater charges.

A wastewater adjustment of the volume billed for residential customers may be made upon the customer's request whenever water is used for temporarily sprinkling yards provided the following conditions are met:

- A. The customer requests the adjustment within two months from the time the customer is billed for the water usage.
- B. The bill has increased above the past three months' average prior to sprinkling by at least 10,000 gallons. In cases of a new home with no occupancy and there is not three months usage to average the bill, it may be adjusted utilizing an estimated usage of 2,000 gallons. In a newly occupied home, the bill may be adjusted utilizing an average of future consumption.
