

## **LEGAL NOTICE**

Notice is hereby given that Warren County Water District (“District”) plans to file with the Public Service Commission (“PSC”) on or before February 17, 2023, to implement a temporary service meter program. The District has proposed an effective date of April 1, 2023. The proposed change is as follows:

Implementation of a temporary service meter program for customers needing water service on a fire hydrant throughout the Warren County Water District service area. This will allow customers to utilize water for multiple purposes including, but not limited to, construction activities, street washing, pool filling, and similar purposes.

The minimum payment for water shall be the monthly service charge for general water service corresponding to 5/8-inch and 2-inch meters. A \$1,000 deposit is required for the 5/8-inch meter assembly and a \$2,500 deposit is required for the 2-inch meter assembly. The District will bill the customer the standard “Service Connection Charge” of \$25 for the installation of the temporary service meter and an additional \$25 for retrieval of the temporary meter.

Any person may examine this Tariff filing at the District’s office located at 523 U.S. 31-W Bypass, Bowling Green, KY 42101; Phone (270) 842-0052.
